G.PULLA REDDY ENGINEERING COLLEGE (Autonomous): KURNOOL

IEEE STUDENT BRANCH (STB15721)

Date: 16-02-2016

Venue: Computer centre of EEE Block.

Sub: Report of workshop on ADOBE PHOTOSHOP

IEEE student Branch conducted a one day workshop on "Adobe Photoshop" on 16-02-2016 at 9:00 AM.

Sri. A. Pradeep Kumar Yadav, Assistant Professor of EEE Department gave the training to students about the Adobe Photoshop, as a part of Graphic Design for every engineering student.

Chair of the Student Branch, Suraiah Thaseen along with other EXECOM member's organized this event. The main purpose of organizing this event is to educate the students with the basic knowledge about Adobe Photoshop. By having the good knowledge on Photoshop, students can be able to learn the further applications like graphic designing and Web designing. As this Photoshop is useful for every Engineering Student of any branch this workshop is basic one.

All interested 2nd and 3rd years of IEEE and also non IEEE members took part in this (A total of 125[36 IEEE +89 Non IEEE]) students were allowed for the first batch. This event was opened for all branches so that other branch students are given chance to participate in this event... The lecture was started at 9:40 AM.

This event was very interactive as the students asked their doubts on the spot without any objection. The event was divided into two sessions i.e. morning session and afternoon session. Morning session is scheduled from 9:40 AM to 1:00 PM and afternoon session between 2:00 PM to 5:00 PM.

Finally, by the end of the session students were able to understand the basics and some techniques of Adobe Photoshop. The following are the few snaps of this event.
